FOR TRAVEL AGENCIES

Destination events & experiences

Your clients travel. We create the experience.

SRI LANKA / DESTINATION EVENT CONCEPT

Celebrations

Destination weddings and private occasions, thoughtfully styled.

Corporate gatherings

Corporate events, MICE programmes, gala dinners and awards.

Brand experiences

Activations, product launches and live entertainment.

EVENTS / PRODUCTION / BRANDING / EXPERIENCES

01 / ABOUT ULTRA EVENTS

About Ultra Events

Transforming ideas into unforgettable experiences.

EVENT DESIGN, PRODUCTION AND TECHNICAL DELIVERY

Ultra Events (Pvt) Ltd. is a full-service event production company, delivering creative, technical and production solutions for corporate, private and destination events across Sri Lanka and internationally.

We partner with travel agencies and tour operators to create unforgettable experiences for their clients, from intimate destination weddings to large-scale corporate groups. A shared brief connects the guest journey, event design and on-site delivery.

ONE CONNECTED PRODUCTION TEAM

- **Creative design**
- **Production & fabrication**
- **Printing & branding**
- **Digital & LED solutions**
- **On-site support**

> **From concept to completion**
> Creative direction, technical preparation and event-day coordination in one workflow.

02 / WHY PARTNER WITH ULTRA EVENTS?

Why partner with Ultra Events?

Your travel expertise, combined with our event production capabilities, creates complete destination experiences for your clients.

One partner, complete solution

A coordinated production scope brings design, build, branding and technical delivery together.

Professional execution

Clear briefs, agreed milestones and an organised delivery plan support every stage of the event.

In-house equipment & production

Connect fabrication, print and event technology with the creative concept and venue requirements.

Creative & custom solutions

Shape the setting, visual identity and guest moments around the purpose of each programme.

Experienced team

Bring creative, technical and on-site roles into a shared plan with clear responsibilities.

End-to-end support

Keep preparation, installation, live operation and dismantling aligned with the event schedule.

More than an event. A destination experience.

Destination visual: illustrative event concept.

03 / DESTINATION WEDDINGS

Destination weddings

MAGICAL CELEBRATIONS IN EXTRAORDINARY PLACES

We bring your clients' dream destination weddings to life with beautiful settings, considered production and a connected guest experience.

Beach weddings

Romantic oceanfront celebrations with ceremony styling, ambient lighting and a relaxed coastal atmosphere.

Luxury weddings

Elegant receptions shaped through table styling, stage design, sound, lighting and carefully planned guest spaces.

Cultural weddings

Traditional and themed celebrations with décor, performance cues and production tailored to the ceremony.

Complete production

Connect the ceremony and reception through a shared technical plan, coordinated installation and on-site support.

A celebration with a sense of place

Coordinate the ceremony, reception, guest arrival and entertainment around one event story.

Destination visual: illustrative event concept.

04 / OUR SERVICES FOR TRAVEL AGENCIES

Our services for travel agencies

Complete event solutions for your clients' requirements.

Destination weddings

Ceremony and reception styling with technical production and on-site coordination.

Corporate events & MICE

Conference stages, presentations, screens, sound and coordinated delegate spaces.

CEO dinners & awards

Elegant dining environments, recognition moments and a clear stage presentation.

Private celebrations

Personalised settings for birthdays, anniversaries and special gatherings.

Entertainment & live events

Performance stages, sound, lighting and show support that connect with the audience.

Brand activations & launches

Branded environments, product displays, printed graphics and memorable reveals.

Destination wedding and resort visuals are illustrative concepts.

05 / OUR CAPABILITIES

Our capabilities

EVERYTHING UNDER ONE ROOF

Event concept & creative design

Concept development, 3D visualisation and event styling.

Stage & backdrop production

Custom stages, truss structures and set design.

LED walls & digital displays

Indoor and outdoor LED solutions, display layouts and content presentation.

Sound, lighting & technical production

Professional audio, lighting, truss systems and live technical operation.

Large-format printing & branding

Flex, vinyl, backlit graphics, signage and wayfinding.

Décor, furniture & styling

Event furniture, theming, floral styling and decorative elements.

Entertainment & talent coordination

DJs, bands, performers and cultural acts.

Photography & videography

Event coverage, highlight videos and coordinated visual storytelling.

On-site management & support

Installation, live operation and dismantling.

STAGE / BRAND / PERFORMANCE

Creative thinking. Practical delivery.
A connected scope from the visual concept to the final live moment.

06 / OUR IN-HOUSE EQUIPMENT

Our in-house equipment

Greater control. High-quality output. Coordinated execution.

Large-format printing

Flex and vinyl print production; vinyl cutting for lettering, graphics and finishing.

UV flatbed printing

Rigid-panel graphics, display elements and branded production surfaces.

Fabrication workshop

Custom set elements, event structures and practical finishing for installation.

Event technology

LED wall modules, sound and lighting systems, truss, stage equipment and road cases.

LED wall panels

Display layouts and visual presentation.

Sound & lighting

Audio clarity, atmosphere and show cues.

Truss & stage

Structures and a coordinated installation plan.

Illustrative equipment visuals.

07 / OUR PROCESS

Our process

FROM THE FIRST IDEA TO THE FINAL MOMENT

01
Understand

We understand your requirements, destination, venue and client needs.

Share the brief, dates and guest profile.

02
Design

Creative concepts and event design build on your objectives.

Agree the look, flow and production scope.

03
Visualise

3D visualisations help you see the concept before production.

Review layouts and refine the details.

04
Produce

Our production facilities prepare the required event elements.

Coordinate fabrication, print and equipment.

05
Install

The team sets up the event environment and technical systems.

Check placement, content, sound and lighting.

06
Support

On-site operation and event support bring the plan to life.

Run the cues, support guests and dismantle.

08 / EVENTS WE CAN SUPPORT

Events we can support

ANY EVENT. ANY DESTINATION.

Bring the right production approach to each audience and occasion.

Conferences

Presentation stages, clear audio, digital displays and branded delegate spaces.

Incentive programmes

Group experiences with themed settings, entertainment and coordinated event moments.

Gala dinners

Dinner environments, table styling, lighting and a polished performance or awards stage.

Birthdays & anniversaries

Personalised celebration settings with thoughtful décor and a welcoming atmosphere.

Cultural nights

Traditional performances with stage design, sound and lighting suited to the programme.

Brand experiences

Immersive displays, product showcases and memorable interactions with your audience.

Resort celebration visual: illustrative event concept.

09 / POPULAR DESTINATION SETUPS

Popular destination setups

Sri Lanka's beautiful locations, shaped around the occasion.

Beach

Oceanfront ceremonies and relaxed celebrations.

Plan the guest approach, lighting and ceremony orientation.

Luxury hotels & resources

Refined indoor and outdoor event environments.

Coordinate the production schedule with the venue team.

Hill country

Garden receptions and intimate scenic gatherings.

Match the layout and ambient lighting to the landscape.

Heritage & cultural venues

Distinctive settings with a strong sense of place.

Style the event to complement the character of the venue.

Make the location part of the story

Design the event around the setting, guest flow, schedule and agreed production requirements.

All destination setup photographs are illustrative event concepts.

10 / PARTNERSHIP OPTIONS

Partnership options

Flexible solutions for travel agencies, tailored to your scope.

OPTION 01

Event production partner

You manage the travel and client relationships. We handle the event production.

SCOPE CAN INCLUDE

Creative and technical input; stage, LED, print and event-day delivery.

For agencies with an established travel programme.

OPTION 02

Complete event partner

We support you from concept to execution with a complete event solution.

SCOPE CAN INCLUDE

Concept development, visualisation, styling, production and on-site coordination.

For programmes that need a connected event team.

OPTION 03

White-label support

We work behind your brand as your event production partner.

SCOPE CAN INCLUDE

Agree the production scope, communication flow and delivery responsibilities.

For agencies seeking a discreet production partnership.

Your destination. Your clients. Our production.

Destination visual: illustrative event concept.
